

## Workshop premises and Local transportation

The workshop will be held at the amphitheater of the European Institute of Chemistry and Biology (IECB, <http://www.iecb.u-bordeaux.fr/index.php?lang=en>) on the campus of Bordeaux University, in the southern suburb of Pessac (also a famous wine label).

From Bordeaux city center, IECB can be reached by tramway, line B, stop "Doyen Brus". Tickets can be purchased at vending machines at every stop. From the "Doyen Brus", walk down to the nearby roundabout, turn around it on the left (clockwise) and exit on the second street on the left. IECB's gate is ca 200 meters ahead on your left. Enter the parking lot and from there go the left of the building (turn around it clockwise) to find the entrance.

From Hotel Ste Catherine to IECB, you should count 40 minutes door-to-door.

From the airport, the best way to IECB is by Taxi. It takes about 20 min and cost around 30 euros. It will be possible to keep your luggage in the lecture hall.

See instructions and a local map at:

<http://www.iecb.u-bordeaux.fr/images/stories/institut/guideiecb.pdf>

For a map of Bordeaux tramway network see:
